FOURTH EDITION

MARCH 31 - APRIL 5, 2025

Geneva, Switzerland – The Académie Horlogère des Créateurs Indépendants (AHCI) is honored to announce the fourth edition of the "Masters of Horology" exhibition, a prestigious event dedicated to the pinnacle of horological artistry. This esteemed gathering will take place from March 31 to April 5, 2025, at the L'iceBergues Exhibition Centre, Place des Bergues 3, Geneva.

The exhibition will feature the exceptional craftsmanship of 25 AHCI masters of horological art, presenting a curated collection of extraordinary timepieces that exemplify both technical mastery and artistic innovation. This year holds particular significance as it marks the 40th anniversary of the Académie Horlogère des Créateurs Indépendants, a remarkable milestone in the history of independent watchmaking.

To commemorate this momentous occasion, a grand celebration will be held during the opening soirée on March 31. The AHCI takes immense pride in welcoming the President of the Grand Council of Geneva, Mrs. Live Zbinden, as the Guest of Honor for this ceremonial evening.

The Académie extends a cordial invitation to connoisseurs and enthusiasts of haute horlogerie to partake in this extraordinary journey. The fourth edition of the "Masters of Horology" exhibition offers an unparalleled opportunity to engage with the masters themselves, gaining rare insight into the artistry and passion that define their craft.

Yours faithfully,

Committee
